All stock offered and sent out is true to name, clean and free from disease. Inspected under Oregon State license No. 563, and all bulbs are carefully inspected at time orders are filled. Any bulbs not proving true to name, or faulty in any way, will be gladly replaced. No thrip.

Orders over \$2.00 sent prepaid anywhere in the United States. On orders less than \$2.00, add 25c for packing and postage.

Terms: Cash with order. All orders accepted subject to prior sale.

NEW INTRODUCTIONS FREE

See below for double value offer. These free bulbs are the cream of our stock, selected from the best of our own originations as listed this year, the object being to get these new bulbs introduced into the gardens of every state.

We do not substitute varieties without your permission, but in order that you receive credit for the full amount of your order, we will, if out of some variety or size ordered, send next size to same value, or extra amounts of others you order. Liberal value given on such change. Please name substitutes if you do not favor the above adjustment. Early orders can generally be filled complete, without any changes or substitutes you may suggest.

DOUBLE VALUE ON EARLY ORDERS

Last year we gave as a special reward for early orders, \$135.00 worth of our best new bulbs; Mr. H. V. Ogden, Pasadena, Cal., drawing \$100.00 worth, and Mrs. J. S. Turpen, Redkey, Ind. \$35.00 worth.

This year we are going to give everyone sending early orders, double value. With each order over \$2.00 we will send you free, \$2.00 worth of our new bulbs with each \$2.00 of your order for bulbs or bulblets. If your order totals \$10.00, you get \$10.00 worth of our best new varieties free, and so on up to \$100.00, which is the limit of this offer.

You may state what size of free bulbs you prefer, but as our stocks of these newer bulbs are limited, we cannot guarantee to send any certain varieties or sizes. We will send you the best we list, to the amount of your order, unless you request us to send more varieties of lower priced ones (not under 35c each), which we would not advise, as we are making this offer to enable you to secure the very best ones. Our stock reserved for this offer, will probably be exhausted by May 1st or before.

SHOW YOUR FRIENDS

Westmoreland Glads when they are in bloom and tell them you will have us send them our list of bulbs if they want to get some for next year. For each new customer sending us an order of \$2.00 or over, we will send you free, \$1.00 worth of bulbs. Write names and addresses plainly.

BULBS OF QUALITY

Our customers say our bulbs are the finest, cleanest and best blooming bulbs they ever had. All our bulbs and bulblets have been fumigated and are free from thrip. If you are troubled with thrip, use ROTOTOX, or formula contained in our planting instructions sent with each order, and you will get rid of them.

LARGE bulbs are $1\frac{1}{4}$ in. and up to 3 in. diameter, and are generally considered best for exhibition purposes, producing the best flowers on the longest spikes.

MEDIUM size bulbs, $\frac{3}{4}$ in. to $1\frac{1}{4}$ in., give a very satisfactory spike, with florets usually as large as from larger bulbs.

SMALL bulbs, over $\frac{1}{4}$ in. to $\frac{3}{4}$ in., are planted for increase rather than blooms, but if planted early, most varieties will bloom.

Three or more bulbs sold at the dozen rate; 25 at the 100 rate. Bulblets per 100 at $\frac{1}{6}$ of the 1000 price. Pints or half-pints at the quart rate.

OUR OWN ORIGINATIONS

We list here many fine new colors, not found among the older standard varieties. Most of these varieties were introduced last year; several, such as Apache, Betty Lou, Cerisa, Marlene, Red Chief, and Satin were introduced two or three years ago, and have taken prizes at shows in several states.

Many of our later introductions are much superior, and we feel sure they will give a good account of themselves in any garden. (L) for Large; (M) for Medium; (S) for Small.

WHAT OTHERS SAY ABOUT OUR GLADS

"Please send your Glad list; I want to get my order on its way. Have been so pleased in every way, in dealing with you, I don't want to send elsewhere. Thought you might be pleased to know we won first on a basket, and second on a vase of Glads from the bulbs purchased from you." Mrs. R. B., Ohio.

"I am writing to thank you for the wonderful value you sent me of your new intrductions. Monterey has bloomed and as to my judgment will give any variety a good run in the orange class. Several other Glad fans have seen it, and they also agree. My Dominator is doing fine; in fact all the bulbs received from you have withstood the drought the best of any bulbs I planted." W. W. G., Iowa.

"Like your Satin very much; won two prizes with it this year. Also like dainty Betty Lou and Marlene." J. T. R., Wash.

"Am writing to tell you about our success with the bulbs bought from you last Spring. My son took second prize on a single entry of Apache, and we also won on single and ten spike entry of Glads from you. We were sure glad that we had such fine bulbs to start with. I was asked by many where we got the new bulbs that others have not seen. Your Dazzler and Irvington were sure grand flowers." Mrs. A. M., Wash.
